

OSOTI BLANCO

Description:

Organic Young White Wine. D.O.C.Rioja
Made from selected organically grown grapes 100% Tempranillo Blanco.
Alcohol content 12.50 % vol.
100% organic production. Own vineyards, certificate of organic production comprising both growing and vinification procedures

Appearance:

Wine of pale yellow colour with greenish hues of youth.
Clean, bright and crystal clear to the eye. Fine sparkle from fermentation on the wine's surface.
Nice glyceric legs.

Nose:

Very pleasant, fresh and fragrant scent. Nose of medium aromatic intensity. Predominant notes of white flowers along with notes of white fruit like quince or St. John's pear and of tropical fruit like passion fruit, pineapple etc. Remarkable for its delicate, subtle and complex aroma.

Palate:

Very pleasant. Sweet, embracing and ample entrance with a rich gourmet touch. The presence of the fruit seems to be measured, just right. Soft wine with balanced acidity and youth. Fine and pleasant aftertaste.
Young wine with a round and well-balanced palate that invites to tasting.

Pairing:

Very appropriate to pair with different dishes. A perfect match for young and semi-hard cheeses, olives, smoked appetizers, carpaccios, fresh salads, mushrooms and cold soups. Particularly suited for fish, rice and seafood in general. And the right choice for artichokes and asparagus.
Being a full-bodied wine, it also pairs with meat dishes.
"Can be served also on its own or in good company".
