

OSOTI LA ERA

Description:

Crianza Red Wine, D.O.C. Rioja

Made from 100% Tempranillo grapes.

Alcohol content 13.5% vol.

Own vineyards, certificate of organic production comprising both growing and vinification procedures.

This wine was aged in French oak casks for 13 months.

Appearance:

Deep-coloured, cherry red wine with subtle violet hues remaining on the rim of the legs. Clean and bright, showing density when swirled in the glass. Nice alcoholic legs.

Nose:

Clean bouquet with presence of red fruit, flowers such as violets, jasmine, laurel and scrub standing out in the beginning, followed immediately by the delicate oak notes unfolding as toasted, roasted, vanilla and black pepper scents against a background of ripe black fruit.

Palate:

A mighty, full-bodied and meaty wine that presents a pleasurable sweet, rounded, silky and very supple tannin. A structured, but well-tamed wine. Balanced with the acidity just right. Nice long aftertaste of predominantly red fruit, roasted flavors and spices as retro-olfactory notes.

Pairing:

Perfect match for red and white meat, foie gras as well as semi-hard, hard or goat cheeses.

Especially suited for hot or generously spiced food.

Thanks to its elegance it can also be served on its own or in good company.
