

OSOTI ROSADO

Description:

Organic Young Rosé Wine. D.O.C.Rioja

Made from selected organically grown Garnacha grapes.

Alcohol content 13.5 % vol

100% organic production. Own vineyards, certificate of organic production comprising both growing and vinification procedures

Appearance:

Its best letter of introduction is its pale pink color with intense raspberry hues. Clean and very bright.

Nose:

Clean and open. Displays pleasant and subtle fresh and fruity aromas reminiscent of rose petals, early strawberries and ripe currant on underlying exotic and bony notes.

Palate:

Very pleasant. Ample and fresh entrance, soft and sweet with a rich gourmet touch. The presence of the fruit seems to be measured, just right. Soft wine with balanced acidity that provides briskness and youth. Fine and pleasant lingering aftertaste.

The remaining carbonic acid adds this sparkling and fresh sensation on the palate that these wines are so valued for.

Young wine with a round and well-balanced palate that invites to tasting.

Pairing:

Very appropriate to pair with different dishes. Thanks to its freshness it is a perfect aperitif and match for young and semi-hard cheeses, olives, smoked appetizers, carpaccios, fresh salads, mushrooms and cold soups. Particularly suited for fish, rice and seafood in general. And the right choice for artichokes and asparagus.

Can be served also on its own or in good company.
